Dear Supervisors:

**DEPARTMENT OF PARKS AND RECREATION:
APPROVE THE ALLOCATION OF COUNTY EXCESS FUNDS AVAILABLE
TO THE FOURTH SUPERVISORIAL DISTRICT
TO THE DEPARTMENT OF PARKS AND RECREATION
FOR THE LA MIRADA COMMUNITY REGIONAL PARK
PARKING LOT IMPROVEMENT PROJECT
(FOURTH DISTRICT) (3 VOTES)**

SUBJECT

Approval of the recommended actions will allow the Regional Park and Open Space District to allocate \$285,000 in County Excess Funds, available to the Fourth Supervisorial District pursuant to the Safe Neighborhood Parks Proposition of 1996, to the Department of Parks and Recreation for the La Mirada Community Regional Park Parking Lot Improvement Project.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed Project is categorically exempt from the California Environmental Quality Act according to Sections 15301, 15302, and 15304 of the State California Environmental Quality Act Guidelines and Classes 1, 2, and 4 of the Environmental Document Reporting Procedures and Guidelines, adopted by your Board on November 17, 1987 because the Project involves replacement of an existing structure and minor alteration to land at an existing facility.

2. Approve the allocation of \$285,000 in County Excess Funds, available to the Fourth Supervisorial District, pursuant to the Los Angeles County Safe Neighborhood Parks Proposition of 1996, to the Department of Parks and Recreation for the La Mirada Community Regional Park Parking Lot Improvement Project.
3. Authorize the Director of Parks and Recreation, or his designee, as agent of the County, to accept the grant funds, to conduct all negotiations, and to execute and submit all documents, including, but not limited to, the project agreement, amendments, and payment requests, which may be necessary for the completion of the project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will allow the Department of Parks and Recreation (Department) to receive a grant in the amount of \$285,000 of County Excess Funds, available to the Fourth Supervisorial District pursuant to the Safe Neighborhood Parks Proposition of 1996 (Proposition A of 1996), for the proposed La Mirada Community Regional Park Parking Lot Improvement Project.

La Mirada Community Regional Park is a 105 acre park located in the City of La Mirada. The proposed project consists of the removal, replacement, and restriping of approximately 102,350 square feet of deteriorating concrete asphalt in both the south parking lot, and the north parking lots. Additionally, the project will consist of slurry coating the remaining 46,000 square feet of the parking lots.

In a related action scheduled for today's agenda, the Regional Park and Open Space District is recommending the allocation of \$285,000 of County Excess Funds to the Department for the La Mirada Community Regional Park Parking Lot Improvement Project.

Upon approval of these recommended actions, the Chief Executive Office will return to your Board to establish the Project.

Implementation of Strategic Plan Goals

The recommended actions will further the Board-approved County Strategic Plan Goals of Operational Effectiveness (Goal 1), Children, Family, and Adult Well-Being (Goal 2); Community and Municipal Services (Goal 3), by investing in public infrastructure that will provide enhanced recreational activities to County residents and visitors.

FISCAL IMPACT/FINANCING

Sufficient appropriation for the proposed Project in the amount of \$285,000 is budgeted in the Fourth Supervisorial District's portion of the Los Angeles County Regional Park and Open Space District Excess Funds Project Fund, HD6.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Proposition A of 1996 requires that funds allocated to agencies under the Safe Neighborhood Parks Propositions of 1992 and 1996 be expended or committed prior to the allocation of Excess Funds. The Department has met this requirement. In each year, 80 percent of the available County Excess Funds shall be allocated by the Board for capital Projects pursuant to Section 24 of the 1996 Proposition.

ENVIRONMENTAL DOCUMENTATION

The proposed Project is categorically exempt from the California Environmental Quality Act (CEQA) according to Sections 15301, 15302, and 15304 of the State CEQA Guidelines and Classes 1, 2, and 4 of the Environmental Document Reporting Procedures and Guidelines, adopted by your Board on November 17, 1987 because the Project involves replacement of an existing structure and minor alteration to land at an existing facility.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of these actions will have positive impacts on the current services by alleviating dangerous trip hazards and improving and enhancing parking opportunities available to park patrons. Project construction will be initiated during non-peak periods to minimize impacts to park patrons and will take approximately 45 days to complete. The north and south parking lots will be done separately to minimize impacts to park programming, ensuring the availability of adequate parking during construction activities. Signage will also be included to notify park patrons about construction activities and will provide instructions on alternative parking locations.
